PROFESSIONAL SUMMARY

Dedicated to ongoing development and ready to take on responsibilities that foster professional and personal growth.

ACADEMIC QUALIFICATIONS

- **B.Tech – Computer science and information technology** 2022-2026
 - CGPA – 8.49
 - Pace institute of technology and sciences
- **Intermediate – Mathematics, physics, chemistry** 2020-2022
 - Percentage – 71%
 - Narayana junior college
- **Secondary schooling** 2016-2020
 - Percentage – 99%
 - Sri prathibha high school

PROJECTS

Title: Nova Portal – Smart Job Management System

Tech stack: Java, Spring Boot, MySQL, HTML/CSS/JavaScript, REST APIs, JWT Authentication

Outcome: Reduced job application processing time by 30%, improving user engagement and employer satisfaction.

INTERNSHIP

Java Full Stack Development Intern – CodeTantra

Developed and tested full-stack applications using Java, Spring Boot, and MySQL, building RESTful APIs and integrating frontend technologies. Gained practical experience in backend logic, database operations, and API testing with Postman.

SKILLS

- **Programming Languages:** C, Python, Java, SQL
- **Web Technologies:** HTML, CSS, JavaScript
- **Database Technologies:** MySQL, Database Management System
- **Core Concepts:** OOPs, Data Structures and Algorithms, SDLC,
- **Tools:** Git, GitHub, Postman

CERTIFICATIONS

- Java Full Stack Development from CodeTantra
- Data Structures and Algorithms in Java from Infosys Springboard
- Responsive Web Design Certification from FreeCodeCamp

STRENGTHS

- Relentless Task Finisher
- Adaptability to change
- Resilient

HOBBIES

- Meditation
- Time blocking
- Badminton
